

Apple(MW493ZM/A)

Apple - USB cable - 24 pin USB-C (M) to 24 pin USB-C (M) - USB 2.0 - 1 m - USB Power Delivery (60W)

Discover the efficiency and durability of Apple's USB-C cable, designed to meet your charging and connectivity needs. With fast charging support through USB Power Delivery (60 W), this cable ensures your devices are quickly ready to go, saving you time and hassle. Its sync and charge capability makes it a versatile tool for both power and data transfer. Crafted with a woven design, it not only looks good but is built to last, resisting wear and tear from daily use. Compliant with USB 2.0 standards, it offers wide compatibility with a range of devices, making it a reliable choice for those who value both form and function.

Key Selling Points

- Fast charging support with USB Power Delivery (60 W)
- Sync and charge capability for efficient use
- Woven design for enhanced durability
- Compliant with USB 2.0 standards for broad compatibility
- USB-C to USB-C connectivity for modern devices

Product Features

- Fast charging capability**
Equipped with USB Power Delivery (60 W), this USB-C cable ensures your devices charge quickly and efficiently, minimizing downtime and keeping you connected when you need it most.
- Durable design**
The woven design not only adds an aesthetic touch but also enhances the cable's durability, making it resistant to fraying and everyday wear and tear.
- Versatile connectivity**
With male connectors on both ends and compliance with USB 2.0 standards, this cable supports both sync and charge functionalities, offering a seamless connection for a wide range of devices.
