

HP 515(9C2F7AA#ABB)

HP 515 UF RECHBL Wireless Mouse EMEA-INT

The HP 515 mouse redefines wireless connectivity with its rechargeable supercapacitor technology. This full-size mouse offers a movement resolution of 4000 DPI, making it ideal for users seeking precision across various surfaces. With a wireless range of up to 10 m, this mouse ensures freedom of movement while maintaining a reliable connection via a 2.4 GHz interface. The inclusion of a USB wireless receiver and a USB-C cable makes setup effortless, creating a seamless user experience. Designed with functionality in mind, the HP 515 features five buttons for improved productivity, catering to both casual users and professionals. Compatibility with multiple operating systems and compliance with international standards, including TUV and FCC, showcases its quality and safety. The HP 515 mouse is a choice for anyone looking for a reliable and efficient pointing device.

Key Selling Points

- Rechargeable supercapacitor technology
- 4000 DPI movement resolution for precision tracking
- Up to 10 m wireless range for flexible usage
- Includes USB wireless receiver and USB-C cable
- Full-size design with five buttons for enhanced productivity

Product Features

Versatile connectivity options

The HP 515 mouse utilizes a 2.4 GHz wireless interface, ensuring stable and fast communication without the clutter of wires. Its USB wireless receiver allows for easy Plug-and-Play connectivity.

Efficient charging technology

Equipped with a supercapacitor battery, this mouse offers a rechargeable feature, allowing users to quickly power up and maintain productivity without long downtimes.

Main Specifications
