

OtterBox React Galaxy A36 5G - clear(77-97785)

OtterBox React Galaxy A36 5G - clear

The OtterBox React Series protective cover is designed for cell phone users who prioritize both style and function. This ultra-thin back cover fits the phone perfectly while providing reliable drop and scrape protection, ensuring that mobile devices are safe from everyday mishaps. Soft touch edges enhance grip and comfort during handling. Featuring a one-piece design and support for wireless charging, this case merges convenience with efficiency, allowing users to power up their devices effortlessly. Compliant with MIL-STD-810G 516.6 standards, the case showcases a commitment to sustainability, being made from 45% recycled plastic.

Key Selling Points

- Ultra-thin design for minimal bulk
- Drop+ protection and scrape resistance
- Wireless charging support for convenience
- 5G compatibility for advanced connectivity
- Crafted from 45% recycled materials
