Product Features

Durability you can rely on

Work confidently in tough workplaces such as warehouses and factories knowing that its MIL-STD-810H rating will stand up against shock, vibration, dust, sand and drops on concrete up to 1 m3. And its IP68 rating will protect from water spray and complete submersion.

For hours of uninterrupted work

Galaxy Tab Active 4 Pro's long-lasting battery goes long into the workday. Power up quickly with a fast charger and convenient pogo pins.

No batteries required

Keep going with no battery mode, which directs power to the tablet without relying on the battery. Perfect for long shifts and vehicle workers.

Designed to withstand the elements

Keep your team moving - rain or shine - with a responsive touchscreen that works well in wet or damp conditions - even with gloves on.

A fast, reliable connection everywhere

Knock out tasks in record time with high-speed connectivity, courtesy of faster 5G and Wi-Fi 6 wireless data networks.

Stay protected and productive

Rest easy knowing Knox security protects your device, your data and your clients' data from the chip up.

Everything you need in one package

Feel confident knowing you've purchased a quality device - Galaxy Tab Active 4 Pro is an Android enterprise recommended product that delivers verified enterprise grade features and expertise.

Your personal info under your control

Privacy dashboard puts you in full control of which apps have access to your mic, camera, location and other data, as part of the commitment to ensuring your security.

Keep work and personal data separate

Work Profile lets IT keep business data secure while giving users the freedom and privacy to use personal apps and content.
