Product Features

Efficient printing

With automatic duplexing and a high-speed output of 30 ppm, this printer is designed to boost productivity in any work environment. Its ability to print on both sides of the paper reduces paper usage and provides a professional look to all documents.

High-quality output

Achieve crisp, clear, and detailed prints with a maximum resolution of 1200 x 1200 DPI. Whether printing business documents or reports, the quality of the output is consistently impressive.

Versatile media handling

Catering to a wide range of media sizes from A6 to A4 and types including bond paper, envelopes, labels, and recycled paper, this printer meets diverse printing needs. The inclusion of a 250-sheet input tray and a manual feed slot enhances its flexibility for various printing tasks.

Advanced connectivity

Equipped with USB 2.0 and Wi-Fi interfaces, along with Brother Mobile Connect, this printer offers convenient wireless printing and easy integration into any network. Its comprehensive security features ensure safe and secure document handling.

Eco-friendly design

Certified by ENERGY STAR and Blue Angel, this printer is recognized for its energy efficiency and reduced environmental impact. It operates quietly, with a sound emission as low as 30 dBA in idle mode, making it suitable for any office setting.
