OtterBox Defender XT Apple iPhone 15/iPhone 14/iPhone 13 - black(77-92971)
OtterBox Defender XT Apple iPhone 15/iPhone 14/iPhone 13 - black

Discover the OtterBox Defender Series XT case, a perfect blend of protection and sustainability for your cell phone. This protective cover is designed with both durability and convenience in mind, featuring materials like polycarbonate and synthetic rubber to withstand daily wear and tear. With features such as DROP+ technology, raised edges, and a two-piece design, it offers comprehensive protection against bumps, drops, dirt, and scrapes.

The case is also thoughtfully designed to support wireless charging and is compatible with MagSafe accessories, ensuring you don't have to sacrifice convenience for protection. Moreover, it's an eco-friendly choice, made from 50% recycled plastic, aligning with your values of sustainability. Whether you're navigating the challenges of daily life or embarking on an adventure, the OtterBox Defender Series XT case is your cell phone's ultimate companion.

Key Selling Points

DROP+ technology for enhanced drop protection
Wireless charging support for convenience
MagSafe compatibility integrates seamlessly with Apple accessories
Made of 50% recycled plastic, promoting environmental sustainability
Meets MIL-STD-810G 516.6 standards for durability

Product Features

Rugged durability

Crafted from polycarbonate and synthetic rubber, the OtterBox Defender Series XT case offers robust protection for your cell phone. Its rugged design is capable of withstanding the rigors of daily use, ensuring your device remains safeguarded against bumps, drops, and scrapes.

Advanced protection features

Equipped with DROP+ technology, raised edges, and a two-piece design, this protective cover goes beyond standard safety measures. It's meticulously engineered to shield your phone from dirt, drops, and even harsh conditions, meeting the rigorous MIL-STD-810G 516.6 compliance standards.

Wireless convenience

Designed with modern needs in mind, the OtterBox Defender Series XT case supports wireless charging, allowing you to power up your device without removing the case. Additionally, its MagSafe compatibility ensures a seamless experience with Apple's ecosystem of accessories.

Eco-friendly choice

With a commitment to sustainability, this case is made of 50% recycled plastic. Choosing the OtterBox Defender Series XT not only provides superior protection for your phone but also supports environmental responsibility.
