

# OtterBox Premium Glass Antimicrobial Apple iPhone 15 -clear(77-93966)

## OtterBox Premium Glass Antimicrobial Apple iPhone 15 -clear

The OtterBox Premium screen protector is designed to offer protection for your cellular phone. Made from aluminosilicate tempered glass, which boasts a 9H hardness rating, it provides robust defense against drops, scratches, and smudges, ensuring your device's screen stays in excellent condition. Beyond its protective qualities, this screen protector features an antimicrobial coating, reducing the presence of harmful bacteria on your device's surface. This makes it an ideal choice for maintaining both the cleanliness and integrity of your phone's screen. The package includes an installation kit, making it easy to apply the screen protector and enjoy immediate protection. Whether you're looking to preserve the pristine look of your device or seeking an added layer of hygiene, the OtterBox Premium screen protector is your go-to accessory.

### Key Selling Points

- Antimicrobial coating for a cleaner screen
- Made from aluminosilicate tempered glass (9H) for enhanced durability
- Offers drop protection to safeguard your device from impacts
- Fingerprint-resistant and smudge-proof for a clear view
- Scratch protection to maintain screen clarity

### Product Features

#### Enhanced durability

Crafted from aluminosilicate tempered glass with a hardness rating of 9H, this screen protector offers superior protection against drops, scratches, and smudges, ensuring your cellular phone remains in pristine condition.

#### Antimicrobial coating

Equipped with an antimicrobial coating, this screen protector not only keeps your screen clear of fingerprints but also helps reduce the presence of harmful bacteria, offering an added layer of hygiene for your device.
