Kensington UH1500P EQ(K34039WW)

Kensington UH1500P EQ - Docking station - USB-C / USB4 / Thunderbolt 4 - 2 x HDMI, DP

The Kensington UH1500P EQ is a versatile docking station designed to enhance connectivity and productivity. With its multiple interface options, including USB-C 3.2 Gen 1, USB-A, Ethernet, DisplayPort, and HDMI, this docking station allows for seamless integration with various devices. The ability to support dual and triple display setups with a maximum resolution of 1080p ensures that users can enjoy high-quality visuals across multiple screens.

Featuring 85 W power delivery via pass-through and constructed from 63% PCR plastic, the Kensington dock is functional and environmentally considerate. Its driverless operation means quick and easy setup, adhering to Plug-and-Play standards for immediate usability. Ideal for professionals seeking a reliable solution, the UH1500P EQ elevates workstation flexibility with its compact design and robust connectivity options.

Key Selling Points

Supports multiple interfaces including USB-C, USB-A, and HDMI
Enables dual and triple display configurations with 1080p resolution
Provides 85 W power delivery for charging connected devices
Constructed with 63% PCR plastic for eco-friendliness
Driverless setup for convenient Plug-and-Play functionality

Product Features

Versatile connectivity options
Equipped with USB-C, USB-A, Ethernet, DisplayPort, and HDMI interfaces, the Kensington UH1500P EQ ensures compatibility with a wide range of devices, enhancing connectivity for various user needs.

Multiple display support
With capabilities for dual and triple display setups, this docking station supports resolutions up to 1080p, allowing for expansive screen real estate and improved productivity.

Convenient power delivery
Offering 85 W power delivery via pass-through, the docking station can efficiently charge laptops and other devices while keeping them operational with all peripherals connected.

Eco-friendly construction
Manufactured from 63% PCR plastic, this product contributes to sustainability while delivering robust performance, making it a responsible choice for environmentally conscious users.

Easy Plug-and-Play functionality
Designed for driverless operation, the UH1500P EQ provides hassle-free setup, allowing users to connect and start utilizing the docking station immediately without the need for complicated installations.

Main Specifications

Product Description	Kensington UH1500P EQ - docking station - USB-C / USB4 / Thunderbolt 4 - 2 x HDMI, DP
Product Type	Docking station
Docking Interface	USB-C / USB4 / Thunderbolt 4
Video Interfaces	2 x HDMI, DP
Manufacturer Warranty	2-year warranty

Extended Specification

General

Product Type	Docking station

Expansion / Connectivity

Interfaces	3 x USB-A - 9 pin USB Type A ¦ 2 x USB-C 3.2 Gen 1 - 24 pin USB-C ¦ 1 x network - 10Base-T/100Base-TX/1000Base-TX - RJ-45 ¦ 2 x audio / video - HDMI - 19 pin HDMI Type A ¦ 1 x audio / video - DisplayPort - 20 pin DisplayPort

Manufacturer Warranty

Service & Support	Limited warranty - 2 years

Miscellaneous

Features	85W power delivery (pass-through), 63% PCR plastic, DockWorks, driverless
Compliant Standards	Plug and Play, FSC

Video

Max Resolution Details	1080P - 60 Hz (Triple Display) ¦ 4K - 60 Hz (Dual Display) ¦ 4K - 60 Hz (Single Display)

System Requirements

OS Required	Windows 10 or later, Apple macOS 11 or later, Apple iPadOS 13 or later, Samsung Dex

Dimensions & Weight (Shipping)

Shipping Width	3.5 cm
Shipping Depth	18 cm
Shipping Height	13 cm
Shipping Weight	180 g
