- Integrated USB-C cable with management
- Extreme size and weight, Ø90 x 49 mm, 265g
- Travel pouch
- Lenovo Go Central (Software) Supported

Product Features

Clear audio output

The frequency response of 140 - 20,000 Hz ensures that conversations are heard with clarity, enhancing the overall meeting experience.

Seamless connectivity

Featuring USB-C connectivity, the Lenovo Go speakerphone is compatible with various modern devices, ensuring easy and efficient setups.

User-friendly controls

With built-in controls for mute, volume adjustment, and a dedicated Microsoft Teams button, this speakerphone simplifies interaction during calls.

Advanced audio technology

Equipped with features like Automatic Gain Control and acoustic echo cancellation, it elevates audio quality while minimizing background noise.
