

OtterBox Defender XT Clear Apple iPhone 15 Plus/iPhone 14 Plus Dark Side - clear/black(77-93290)

OtterBox Defender XT Clear Apple iPhone 15 Plus/iPhone 14 Plus Dark Side - clear/black

Discover the perfect blend of protection and convenience with the OtterBox Defender Series XT case. Designed for those who demand durability and eco-conscious products, this protective case offers a robust solution for your cell phone. Its innovative dual-layer technology, combining polycarbonate and synthetic rubber, provides exceptional protection against bumps, drops, and scrapes. The case is rigorously tested to meet MIL-STD-810G 516.6 standards, ensuring your device is safeguarded in even the most challenging environments.

Functionality meets sustainability with the Defender Series XT case. Enjoy the convenience of wireless charging without removing the case, and benefit from added features like port covers and a lanyard attachment for comprehensive protection and ease of use. Moreover, with 50% of the case made from recycled plastic, you're making an environmentally responsible choice without compromising on protection or style.

Key Selling Points

- 2 piece construction and dual-layer technology for enhanced protection
- Wireless charging support for convenience
- Port covers and raised edges safeguard against dirt and screen damage
- Compliant with MIL-STD-810G 516.6 for rugged durability
- 50% recycled plastic content, promoting environmental sustainability

Product Features

Rugged durability

Experience peace of mind with the OtterBox Defender Series XT case, designed to withstand the rigors of daily use. Its dual-layer technology combines polycarbonate and synthetic rubber materials, offering superior protection against bumps, drops, and scrapes. The case meets the rigorous MIL-STD-810G 516.6 standards, ensuring your cell phone remains safe in the most demanding conditions.

Enhanced functionality

The OtterBox Defender Series XT case is not just about protection; it's also about convenience. With features like wireless charging support, you can power up your device without removing the case. The thoughtful design includes port covers to keep out dust and debris, while raised edges protect your screen from direct impacts. Plus, the lanyard attachment offers an additional carrying option, making it easier to keep your phone within reach.

Eco-friendly choice

Make a positive impact on the environment with the OtterBox Defender Series XT case. Made of 50% recycled plastic, this case is a testament to Otter Products' commitment to sustainability. Choosing this case not only provides robust protection for your cell phone but also supports eco-friendly initiatives, reducing the carbon footprint associated with mobile device accessories.
