

OtterBox Premium Glass Apple iPhone 16 Pro Max - clear - Screen Machine(77-96193)

OtterBox Premium Glass Apple iPhone 16 Pro Max - clear - Screen Machine

The OtterBox Premium screen protector provides vital protection for cellular phones against various types of damage. Made from durable aluminum glass rated at 9H hardness, this screen protector ensures scratch and shatter resistance, safeguarding the device's display from daily wear and tear. In addition, the fingerprint-resistant surface helps maintain a clear view, while splinter protection adds an extra layer of safety in the event of glass breakage.

Designed with environmental sustainability in mind, the OtterBox Premium screen protector is constructed from 60% recycled materials, offering both protection and a commitment to recycling. Ideal for those looking to preserve the integrity of their device while being environmentally conscious, this screen protector effectively combines functionality with eco-friendliness.

Key Selling Points

- Aluminum glass rated at 9H hardness for durability
- Scratch, shatter, and splinter protection enhances screen longevity
- Fingerprint-resistant surface keeps the display clear
- Made from 60% recycled materials for an eco-friendly choice
- Designed for cellular phones

Product Features

- Durable protection**
The aluminum glass provides 9H hardness, protecting the mobile screen from scratches and damage, ensuring long-lasting clarity.
- Environmentally conscious**
With 60% recycled content, this screen protector is a sustainable choice for consumers who care about their environmental impact.
- Multiple layers of safety**
Features such as drop protection and shatter resistance work together to minimize damage from accidental falls or impacts.
- Clarity maintenance**
The fingerprint-resistant coating ensures the screen remains clean and clear, providing an optimal viewing experience.
