

## OtterBox Premium Glass Apple iPhone 16 - clear(77-96183)

### OtterBox Premium Glass Apple iPhone 16 - clear

The OtterBox Premium screen protector provides comprehensive protection for cellular phones with its aluminosilicate glass 9H material. Engineered to resist scratches, drops, and fingerprints, this screen protector ensures a clear view and durability. Additionally, its shatter resistance and splinter protection features provide an added layer of safety, making it a reliable choice for everyday use. This product enhances the longevity of your device while promoting sustainability, as it is made from 60% recycled materials. The installation kit included in the package makes the application process straightforward, allowing phones to stay protected without hassle. With this screen protector, experience peace of mind knowing that the device remains safeguarded from everyday hazards.

## Key Selling Points

- Features aluminosilicate glass 9H for durability
- Offers scratch, drop, and shatter protection
- Fingerprint-resistant for a clear screen
- Made from 60% recycled materials
- Includes an installation kit for easy setup

## Product Features

### Durable protection

The screen protector is constructed from aluminosilicate glass 9H, providing robust resistance against scratches and drops, ensuring the device's display remains intact and functional.

### Enhanced clarity

Designed to be fingerprint-resistant, this protector maintains a clear view of your screen, making it easy to use without the distraction of smudges.

### Sustainable materials

With 60% of its composition derived from recycled materials, this screen protector supports eco-friendly practices while safeguarding your technology.

### Comprehensive safety features

The protector includes shatter and splinter resistance, providing an additional layer of protection that helps prevent hazardous screen breakage.

### User-friendly installation

The included installation kit simplifies the setup process, allowing for quick and easy application without any technical expertise required.
