

OtterBox Glass Apple iPhone 16 Plus - clear(77-96163)

OtterBox Glass Apple iPhone 16 Plus - clear

The OtterBox screen protector is designed for cellular phones, providing robust protection to keep your device safe from daily wear and tear. Made from aluminosilicate glass with a 9H hardness rating, this screen protector offers scratch resistance and is engineered to withstand drops and impacts. The easy application kit included ensures a hassle-free installation, allowing users to apply the protector without bubbles or misalignment. With its fingerprint-resistant and smudge-resistant features, the display of your smartphone remains clear and easy to use, enhancing your overall experience.

Key Selling Points

- Made from aluminosilicate glass
- Scratch-resistant design
- Includes an easy application kit for quick installation
- Delivers drop protection
- Fingerprint and smudge-resistant surface

Product Features

- Durable material**  
Constructed from aluminosilicate glass with a 9H hardness, this screen protector ensures lasting defense against everyday scratches and dings.
- Protection**  
Designed to provide reliable drop protection, this protector minimizes the risk of damage during accidental falls.
- User-friendly installation**  
The included easy application kit simplifies the installation process, making it accessible for users of all experience levels.
- Resistant to fingerprints**  
The surface is engineered to resist fingerprints and smudges, keeping the display clean and enhancing visibility.
- Multi-layered protection**  
Offering shatter resistance and break resistance, this screen protector ensures comprehensive safeguarding of your device's display.
