

## OtterBox React MagSafe Apple iPhone 16e/15/14/13 - clear(77-98201)

### OtterBox React MagSafe Apple iPhone 16e/15/14/13 - clear

The OtterBox React Series protective cover is designed for cell phones, offering a blend of protection and style. With its ultra-thin and ultraslim design, this case provides an optimal balance between durability and portability, allowing for easy handling and storage. Built-in magnets and wireless charging support enhance convenience, making it simpler to stay powered up.

Protection is a significant focus with the OtterBox React Series, as it complies with MIL-STD-810G 516.6 standards for drop+ and scratch protection. The soft touch edges provide a secure grip, preventing slips and drops while ensuring the case feels great in hand. Additionally, a commitment to sustainability is evident, as this case is crafted from 40% recycled plastic, merging eco-friendliness with modern technology.

## Key Selling Points

- Designed for cell phone protection
- Ultraslim and ultra-thin for portability
- Built-in magnets and wireless charging compatibility
- Soft touch edges for a secure grip
- Made from 40% recycled plastic

## Product Features

### Durable protection

The OtterBox React Series case provides drop+ protection and scratch protection, ensuring that your device remains safe from everyday hazards.

### Eco-conscious design

Crafted from 40% recycled plastic, this case reflects a commitment to environmental sustainability while maintaining functionality.

### Convenient features

This case includes built-in magnets for enhanced functionality and supports wireless charging, allowing for effortless energy replenishment.

### Secure handling

The soft touch edges of the case ensure a secure grip, making it easier to hold your phone firmly and reducing the chances of accidental drops.
