

OtterBox Glass Apple iPhone 17 - clear(77-98674)

OtterBox Glass Apple iPhone 17 - clear

The OtterBox screen protector is designed to provide protection for cellular phones. Constructed from aluminosilicate glass with a hardness rating of 9H, it effectively shields the screen from drops, scratches, and shattering. This protector features a fingerprint-resistant and smudge-resistant surface, ensuring a clear view at all times. Included in the package is an installation kit that aids in applying the protector, allowing for a seamless experience for users looking to safeguard their devices.

Key Selling Points

- Constructed from durable aluminosilicate glass 9H
- Offers reliable drop and scratch protection
- Fingerprint-resistant and smudge-resistant surface
- Includes installation kit for easy application

Product Features

- Durable design**
The screen protector features robust aluminosilicate glass construction that resists shattering and scratches, providing long-lasting durability.
- Effective protection**
It offers protection against drops and impacts, ensuring the device's screen remains intact.
- Easy to maintain**
The surface is designed to be fingerprint-resistant and smudge-resistant, allowing for a clear and clean display without frequent cleaning.
- Installation kit included**
Each package comes with an installation kit that simplifies the application process, ensuring a perfect fit on the device.
