OtterBox Symmetry Clear MagSafe Camera Control Apple iPhone Air - clear

The OtterBox Symmetry Series protective cover provides a reliable shield for cell phones with its combination of polycarbonate and thermoplastic elastomer materials. Designed with an ultra-slim profile, this back cover allows for wireless charging support and features built-in magnets for secure attachment. The raised edges help protect the screen and camera from scratches, while the integrated camera control button and bounce-back buttons enhance usability. With compliance to MIL-STD-810G 516.6 standards, this case ensures dependable protection against impacts. Additionally, the product is made from 40% recycled materials, making it an environmentally conscious choice without compromising on style or functionality. Recommended for those who value both protection and aesthetics, the OtterBox Symmetry Series is a combination of form and function.

Key Selling Points

- Designed with an ultra-slim profile
- Maintains wireless charging support for convenience
- Features built-in magnets for secure attachment
- Complies with MIL-STD-810G for dependable impact protection
- Made from 40% recycled materials for an eco-friendly option

Product Features

- Durable protection**
The OtterBox Symmetry Series offers scratch-resistant qualities along with protection for both the camera and screen, ensuring the device remains safe from everyday wear and tear.
- Convenient usability**
Built-in anchors and bounce-back buttons allow for easy maneuverability and accessibility, making it simple to operate the phone while keeping it securely protected.
- Environmentally friendly**
Crafted from 40% recycled materials, this case supports sustainability efforts while providing robust functionality and aesthetic appeal.
