

OtterBox Symmetry Clear MagSafe Camera Control Apple iPhone 17 - clear(77-98781)

OtterBox Symmetry Clear MagSafe Camera Control Apple iPhone 17 - clear

The OtterBox Symmetry Series Clear case is designed for cell phone protection with a focus on style and functionality. It features an ultra-sleek design and an ultraslim profile that combines aesthetics and usability. Made from durable polycarbonate and thermoplastic elastomer (TPE), this protective cover ensures a snug fit while safeguarding your device against scratches and drops. Built-in magnets enhance compatibility with wireless charging, while raised edges provide additional screen and camera protection, making it an ideal choice for modern users. Equipped with built-in anchors and an integrated camera control button, the Symmetry Series Clear case offers convenience without compromising defense. Engineered to meet military standards (MIL-STD-810G 516.6), this case provides a reliable fortress for your phone. The 40% recycled content emphasizes sustainability, ensuring that users can protect their devices while also making an eco-friendly choice.

Key Selling Points

- Ultraslim design enhances portability
- Built-in magnets support wireless charging
- Military-standard protection against drops
- Raised edges for screen and camera safety
- Constructed from 40% recycled materials

Product Features

- Stylish and functional design**
The ultra-sleek and ultraslim design enhances the look of your device while providing essential protection that doesn't add bulk.
- Strong protection standards**
Compliant with military standards, the case offers reliable protection against drops and impacts, safeguarding your phone in various environments.
- Convenient wireless charging**
With built-in magnets for seamless wireless charging, the case ensures that keeping your phone powered is hassle-free.
- Enhanced camera and screen safety**
Raised edges protect both the screen and camera from scratches and damage, allowing peace of mind during everyday use.
- Eco-friendly construction**
Made from 40% recycled materials, this case supports environmentally conscious choices for users while delivering durability.
