

OtterBox Defender Apple iPad Air 13" (M2) (77-95364)

OtterBox Defender Apple iPad Air 13" (M2) - black - ProPack

The OtterBox Defender Series protective case is designed for tablets, offering a high level of durability and functionality. Constructed from polycarbonate and thermoplastic elastomer (TPE), this case provides reliable defense against dirt, drops, and scrapes. Its multi-layer construction includes a built-in screen protector and port covers, ensuring that the tablet is well-protected in various environments. In addition to offering protection and holster. Additional compartments allow for easy storage of accessories such as the Apple Pencil. The stand function adds versatility, making it easier to use the tablet in different orientations. With a streamlined design and lanyard attachment points, the OtterBox Defender Series case stands out for both practicality and style.

Key Selling Points

- Protects against dirt, drops, and scrapes
- Multi-layer construction with built-in screen protector
- Convenient carrying strap with belt clip
- Includes storage for Apple Pencil
- Stand function for versatile use

Product Features

Rugged protection

This protective case is designed to withstand tough conditions, providing drop+ protection and dirt resistance to keep the tablet safe in various environments.

Functional design

With a streamlined design, this case offers practical features like a built-in screen protector, port covers, and a slip cover to enhance usability.

Convenient storage

Additional compartments for Apple Pencil storage and lanyard attachment points increase the versatility of this case, making it suitable for users on-the-go.

Easy portability

The case includes a carrying strap with a belt clip and holster, allowing for convenient transportation and accessibility.
