

OtterBox Defender Apple iPad Pro 13" (M5/M4) (77-95365)

OtterBox Defender Apple iPad Pro 13" (M5/M4) - black - ProPack

The OtterBox Defender Series protective case is designed for tablets, ensuring robust protection against various elements. Made from a combination of polycarbonate and thermoplastic elastomer (TPE), this case offers a rugged yet streamlined design that meets MIL-STD-810G 516.6 standards. It features a built-in screen protector and a hardshell exterior to shield against drops, dust, dirt, and scrapes. With compartments for Apple Pencil storage and convenient lanyard attachment points, the OtterBox Defender adds extra functionality to your device while maintaining durability. The four-position stand provides versatility for viewing situations. Thoughtfully included port covers and slip cover enhance overall protection, keeping your device safe from all angles. This protective case is an investment for anyone looking to extend the lifespan of their tablet with reliable and rugged protection.

Key Selling Points

- Rugged protective case designed for tablets
- Made with durable polycarbonate and TPE materials
- Built-in screen protector shields against scratches
- Features a four-position stand for versatile use
- Storage for Apple Pencil and lanyard attachment points

Product Features

Durable construction
Crafted from polycarbonate and thermoplastic elastomer, this protective case is built to withstand everyday wear and tear while providing reliable protection.

Enhanced drop protection
The case meets MIL-STD-810G 516.6 standards, ensuring it offers significant drop and scrape protection for your tablet.

Built-in screen protection
Equipped with a built-in screen protector, this case helps to prevent damage to the tablet's display from scratches and impacts.

Versatile stand feature
The four-position stand allows for easy viewing and usage, making it convenient for stakeholders in various environments.

Additional storage options
Features dedicated compartments for Apple Pencil storage and lanyard attachment points to enhance functionality and usability.
