

OtterBox Defender Apple iPad Pro 11" (M5/M4) (77-95366)

OtterBox Defender Apple iPad Pro 11" (M5/M4) - black - ProPack

The OtterBox Defender Series protective case for tablets provides coverage that guards against drops, dirt, and everyday wear and tear. Built with a multi-layer construction, this case is designed to withstand daily use while maintaining a streamlined appearance. The materials used include durable polycarbonate and thermoplastic elastomer (TPE), ensuring a secure fit while safeguarding your device. Additionally, the integrated screen protector offers an extra layer of defense, allowing users to keep their screens free from scratches and damage. Functionality comes with the included stand feature, making it easier to enjoy media, work, and chats. The design incorporates dedicated compartments for Apple Pencil storage, ensuring that your accessories are always within reach. With two lanyard attachment points, carrying this protective case becomes simple and convenient. This case meets MIL-STD-810G 516.6 standards for military-grade protection, making it ideal for anyone seeking durability in their tablet accessories.

Key Selling Points

- Multi-layer construction offers durable protection
- Built-in screen protector shields against scratches
- Stand function enhances media viewing and productivity
- Dedicated storage for Apple Pencil keeps accessories organized
- Two lanyard attachment points for easy carrying

Product Features

- Rugged design**
The rugged design provides drop+ protection, ensuring your tablet stays safe from falls and impacts, while also being dust-resistant and dirt-resistant.
- Functional storage**
With additional compartments for Apple Pencil storage, the case optimizes usability and keeps important accessories readily accessible.
- Streamlined appearance**
The streamlined design allows for an elegant look without compromising on protection, making it suitable for various settings.
- Military standard compliance**
The case complies with MIL-STD-810G 516.6 standards, signifying its capability to endure rigorous conditions and provide reliable protection.
