

OtterBox Glass Samsung Galaxy A17/A17 5G/A16/A16 5G - clear(77-97714)

OtterBox Glass Samsung Galaxy A16/A16 5G - clear

The OtterBox screen protector is engineered for cellular phones, offering protection with its aluminosilicate glass material. This durable screen protector ensures a high level of defense against daily wear and tear, keeping your device looking pristine. With features like scratch resistance, drop protection, and fingerprint resistance, it allows for worry-free use while maintaining an immaculate appearance. The smudge-resistant and shatter-resistant qualities further enhance its reliability, ensuring your screen is safeguarded in a variety of conditions.

Key Selling Points

- Aluminosilicate glass material provides strong defense
- Scratch-resistant to keep the screen intact
- Fingerprint-resistant for a clear viewing experience
- Drop protection to minimize damage risks
- Shatter resistance enhances durability

Product Features

Durable protection

The OtterBox screen protector is crafted from aluminosilicate glass, offering durability against everyday impacts and hazards. This material ensures that the screen remains intact and maintains its clarity over time.

Advanced scratch resistance

Designed to defend against scratches, this screen protector ensures that minor abrasions do not mar the surface of your cellular phone. Users can enjoy a clear and unblemished display.

Fingerprint and smudge resistance

With fingerprint-resistant technology, this screen protector minimizes the appearance of smudges and oils from fingers. As a result, the display remains clear and easy to use throughout the day.

Robust drop protection

The design of this screen protector incorporates drop protection features, giving users peace of mind when it comes to accidental falls or drops. It acts as a reliable shield against potential damage.

Shatter resistance

This screen protector is made for enhanced shatter resistance, which reduces the risk of breaking under pressure or impact. It ensures that the display remains functional and intact even in challenging environments.

Main Specifications

Product Description	OtterBox - screen protector for mobile phone
Product Type	Screen protector - glass
Intended For	Mobile phone
Protection	Drop protection, shatter resistance, scratch-resistant, fingerprint-resistant, smudge-resistant
Product Material	Aluminosilicate glass 9H
Dimensions (WxDxH)	7.218 cm 15.827 cm
Thickness	0.46 mm
Weight	14.57 g
Colour	Clear
Designed For	Samsung Galaxy A16, A16 5G

Extended Specification

General

Product Type	Screen protector - glass
Intended For	Mobile phone
Protection	Drop protection, shatter resistance, scratch-resistant, fingerprint-resistant, smudge-resistant
Product Material	Aluminosilicate glass 9H
Width	7.218 cm
Height	15.827 cm
Weight	14.57 g
Thickness	0.46 mm
Colour	Clear

Compatibility Information

Designed For	Samsung Galaxy A16, A16 5G
