

**HP 720 - keyboard - multi-device, rechargeable, powered by SuperCapacitor, 22 programmable keys full size - AZERTY - Belgium - nightfall black Input Device(9T5B1AA#AC0)**

**HP 720 - Keyboard - multi-device, rechargeable, powered by SuperCapacitor, 22 programmable keys - full size - wireless - Bluetooth, 2.4 GHz - AZERTY - Belgium - nightfall black**

The HP 720 is a versatile keyboard and mouse set designed for enhanced productivity. With a supercapacitor-powered battery, this set offers a long life and quick charging capabilities. The full-size keyboard features mechanical keys and scissors style keys for comfortable typing, while also including programmable keys for customized functionality. The adjustable height allows users to find their optimal ergonomic position. Additionally, the wireless receiver provides a seamless connection with a range of 10 m, making it ideal for diverse workspace setups. The accompanying mouse is equipped with 5 buttons and a precise movement resolution of 4000 DPI, ensuring accurate tracking for both work and gaming. Whether for casual use or serious computing, the spill-resistant design protects against accidental spills, enhancing durability. Connect effortlessly via Bluetooth or 2.4 GHz, making the HP 720 a reliable choice for those who value efficiency and performance in their daily tasks.

Key Selling Points

- Supercapacitor technology for extended battery life
- Full-size keyboard with mechanical and scissors style keys
- Wireless connectivity with a range of 10 m
- Mouse with 5 buttons and 4000 DPI movement resolution
- Spill-resistant design for added durability

Product Features

- Efficient battery technology**  
The HP 720 utilizes supercapacitor technology for its battery, offering quick charging times and a long lifespan, minimizing the need for frequent recharging.
- Comfortable key design**  
Featuring a full-size layout with mechanical and scissors style keys, the keyboard ensures comfort during long typing sessions while also providing programmable key options.
- Reliable wireless connectivity**  
Equipped with both Bluetooth and 2.4 GHz technology, the HP 720 allows for easy connectivity to multiple devices with a maximum operating distance of 10 m.
- High precision mouse**  
The included mouse has 5 buttons and a movement resolution of 4000 DPI, providing exceptional accuracy for various tasks.
- Durable and spill-resistant**  
The keyboard and mouse set is designed with a spill-resistant feature, enhancing its durability and protecting against accidental liquid spills.
