Logitech MX Keys Combo for Business(920-010927)

Logitech MX Keys Combo for Business - 2nd Generation - keyboard and mouse set - backlit - wireless - Bluetooth LE - AZERTY - French - graphite

Logitech MX Business Combo features advanced wireless keyboard, MagSpeed Electromagnetic scroll wheel mouse, memory foam palm rest, and bolt wireless technology. It's the ultimate key to productivity, giving analysts, creators and coders with advanced workflow needs the power to truly master what they make.

Key Selling Points

Backlit keyboard for improved visibility in low-light conditions
Wireless connectivity with a 10 m range for a clutter-free workspace
Supports a wide range of devices including Android, Apple iOS, Mac, and PC
Includes a numeric keypad and palm rest for enhanced comfort and productivity
Features Easy-Switch technology for seamless device transitions

Product Features

Versatile compatibility
Designed to seamlessly integrate with a wide range of devices, this keyboard and mouse set supports Android, Apple iOS, Mac, and PC platforms, ensuring a flexible workspace solution.

Wireless freedom
With a max operating distance of 10 m and wireless connectivity, users can enjoy a clean, cable-free desk setup. The inclusion of a Logitech Logi Bolt USB receiver ensures a stable connection.

Enhanced productivity
Features such as backlit keys, a numeric keypad, and a palm rest on the keyboard, alongside a wireless mouse, are engineered for comfort and efficiency, making long work sessions more manageable.

Easy-switch functionality
The Easy-Switch key/button function allows for quick transitions between devices, enhancing multitasking capabilities and streamlining workflow.
