

Logitech MX Keys Mini for Mac (920-010526)

Logitech MX Keys Mini for Mac - Keyboard - backlit - wireless - Bluetooth - QWERTY - US International - pale grey

Discover the Logitech MX Keys Mini for Mac, a keyboard and mouse set, designed to enhance your Mac experience. With its rechargeable lithium polymer battery, you can enjoy extended periods of use. The wireless Bluetooth connectivity not only provides a reliable connection but also keeps your workspace neat and organized without the clutter of cables. The backlit keys ensure that you can work comfortably in any lighting condition, making it easier to stay productive. Customizable keys, including Emoji, dictation, and mute, allow for a personalized and efficient workflow. Whether you're working from home or in the office, the Logitech MX Keys Mini for Mac is the perfect companion for your Mac.

Key Selling Points

- Rechargeable lithium polymer battery for extended use
- Wireless Bluetooth connectivity for a clutter-free setup
- Backlit keys for easy typing in any lighting condition
- Customizable keys including Emoji, dictation, and mute for enhanced productivity

Product Features

- Seamless compatibility**
Designed exclusively for Mac, this keyboard and mouse set offers seamless integration with your Mac ecosystem, enhancing your workflow and productivity.
- Effortless connectivity**
With Bluetooth technology, enjoy the freedom of wireless connectivity, eliminating the clutter of cables for a cleaner, more organized workspace.
- Innovative backlighting**
The backlit keys adjust to your environment, ensuring you can work comfortably in any lighting condition, from bright daylight to dimly lit rooms.
