

Apple Magic Keyboard (MGYY4F/A)

Apple Magic Keyboard - Keyboard and folio case - with trackpad - Apple Smart connector - AZERTY - French - black - for 13-inch iPad Air (M2, M3)

The Apple Magic Keyboard combines a sleek design with practical functionality, making it an essential accessory for those using Apple devices. It features an integrated keyboard with a scissors technology mechanism that provides a comfortable typing experience and precise responsiveness. The adaptable viewing angles and magnetic connection enhance usability, allowing for effortless positioning while working or browsing. This product also offers volume and brightness controls directly from the keyboard, ensuring user convenience and efficiency.

Key Selling Points

- Integrated keyboard with scissors technology for precise typing experience
- Adjustable viewing angles to enhance usability
- Magnetic connection for easy attachment and detachment
- Built-in trackpad adds functionality and ease of navigation
- Compatible with Apple iOS devices

Product Features

- Versatile viewing angles**
The adjustable viewing angles make it easy to find the perfect position for any task, whether typing, browsing, or chatting.
- Responsive keyboard**
Featuring scissors technology, the keyboard ensures reliable key presses and improved typing comfort, allowing for longer use without fatigue.
- Integrated trackpad**
The built-in glass trackpad delivers smooth navigation, enabling users to swipe, scroll, and click with precision, enhancing the overall user experience.
- Magnetic connection**
The magnetic connection simplifies the process of attaching and detaching the keyboard from devices, providing convenience when transitioning between tasks.
- Effective protection**
Designed to offer front and back protection, this keyboard and folio case ensures that devices remain safe from scratches and impacts while on the go.
