

Apple MacBook Air (MC6U4N/A)

Apple MacBook Air - M4 - Apple M4 10-core - 16 GB RAM - 512 GB SSD - 13.6" IPS 2560 x 1664 (WQXGA) - Wi-Fi 6E, Bluetooth - sky blue - kbd: Dutch

The MacBook Air with the M4 chip lets you fly through work and play. With Apple Intelligence [1], a brilliant 13-inch or 15-inch Liquid Retina display, up to 18 hours of battery life [2] and a strikingly thin and light design, it's built to last and can take on just about anything, anywhere.

Key Selling Points

MacBook Air. Built for Apple Intelligence.

Product Features

- SUPERCHARGED BY M4**  
The Apple M4 chip brings even more speed and fluidity to everything you do, like working across multiple apps, editing videos or playing graphically demanding games.
- BUILT FOR APPLE INTELLIGENCE**  
Apple Intelligence is the personal intelligence system that helps you write, express yourself and get things done effortlessly. With groundbreaking privacy protections, it gives you peace of mind that no one else can access your data - not even Apple [1].
- UP TO 18 HOURS OF BATTERY LIFE**  
MacBook Air delivers the same amazing performance whether it's running on battery or plugged in [2].
- PORTABLE DESIGN**  
Super light and thin, MacBook Air fits easily into your bag - and your on-the-go lifestyle.
- A BRILLIANT DISPLAY**  
The Liquid Retina display supports one billion colors [3]. Photos and videos pop with rich contrast and sharp detail, and text appears super crisp.
- LOOK AND SOUND YOUR BEST**  
Everything looks and sounds amazing with a 12MP Center Stage camera, three mics, and up to six speakers with Spatial Audio.
- CONNECT IT ALL**  
MacBook Air features two Thunderbolt 4 ports, a MagSafe charging port, a headphone jack, Wi-Fi 6E and Bluetooth 5.3 [4]. And it supports up to two external displays.
- APPS FLY IN MACOS**  
All your favorites run lightning fast in macOS, including Microsoft 365, Adobe Creative Cloud and Google Workspace [5].
- IF YOU LOVE IPHONE, YOU'LL LOVE MAC**  
Mac works like magic with your other Apple devices. View and control what's on your iPhone from your Mac with iPhone Mirroring [6]. Copy something on iPhone and paste it on Mac. Send texts with Messages or use your Mac to make and answer FaceTime calls [7].

Legal  
Configurable options are available.

[1] Apple Intelligence is available in beta on all Mac models with M1 and later, with Siri and device language set to English (Australia, Canada, Ireland, New Zealand, South Africa, UK, or U.S.), as a macOS Sequoia update. Additional features and Chinese (Simplified), English (India, Singapore), French, German, Italian, Japanese, Korean, Portuguese (Brazil), and Spanish language support available in early April, with more languages coming over the course of the year, including Vietnamese. Some features may not be available in all regions or languages.

[2] Battery life varies by use and configuration. See [apple.com/batteries](https://apple.com/batteries) for more information.

[3] The displays on the 13-inch and 15-inch MacBook Air have rounded corners at the top. When measured as a standard rectangular shape, the screens are 13.6 and 15.3 inches diagonally (actual viewable area is less).

[4] Wi-Fi 6E available in countries and regions where supported.

[5] Apps are available on the App Store. Software and content may be sold separately. Title availability is subject to change.

[6] Available on Mac computers with Apple silicon and Intel-based Mac computers with a T2 Security Chip. Requires that your iPhone and Mac are signed in with the same Apple Account using two-factor authentication, your iPhone and Mac are near each other and have Bluetooth and Wi-Fi turned on, and your Mac is not using AirPlay or Sidecar. Some iPhone features (e.g. camera and microphone) are not compatible with iPhone Mirroring.

[7] FaceTime is not available in all countries or regions.

| Wireless | 802.11a/b/g/n/ac/ax (Wi-Fi 6E), Bluetooth 5.3 |
|----------|-----------------------------------------------|

## Dimensions & Weight

|                    |                              |
|--------------------|------------------------------|
| Dimensions (WxDxH) | 30.41 cm x 21.5 cm x 1.13 cm |
| Weight             | 1.24 kg                      |

## Processor / Chipset

|                   |                                                             |
|-------------------|-------------------------------------------------------------|
| CPU               | Apple M4                                                    |
| Number of Cores   | 10-core                                                     |
| Performance Cores | 4                                                           |
| Efficient Cores   | 6                                                           |
| Features          | Hardware-accelerated ray tracing, 120 GB/s memory bandwidth |

## Audio & Video

|                        |                                                                                                                                                |
|------------------------|------------------------------------------------------------------------------------------------------------------------------------------------|
| Graphics Processor     | Apple M4 10-core                                                                                                                               |
| Max Monitors Supported | 2 external monitor(s)                                                                                                                          |
| Video System Features  | Hardware-accelerated H.264, HEVC, ProRes and ProRes RAW, video decode engine, ProRes encode and decode engine, video encode engine, AV1 decode |
| Camera                 | Yes - 1080p                                                                                                                                    |
| Resolution             | 12 Megapixel                                                                                                                                   |
| Camera Features        | Advanced image signal processor (ISP), FaceTime 1080p HD camera, desk view support, centre stage camera                                        |

|                     |                                                                                                                   |
|---------------------|-------------------------------------------------------------------------------------------------------------------|
| Sound               | Four speakers, 3 beam-forming microphone array                                                                    |
| Compliant Standards | Dolby Digital Plus, Dolby Atmos, Dolby Digital                                                                    |
| Audio Features      | Output: Spatial Audio support; Input: voice isolation mode, wide spectrum microphone mode, enhanced voice clarity |

Input

|                    |                                                                                                           |
|--------------------|-----------------------------------------------------------------------------------------------------------|
| Type               | Keyboard, Force Touch trackpad                                                                            |
| Keyboard Backlight | Yes                                                                                                       |
| Keyboard Layout    | Dutch                                                                                                     |
| Features           | Pressure sensitivity, multi-touch touchpad, Multi-Touch Gesture Recognition, force click, Touch ID sensor |

AC Adapter

|        |                         |
|--------|-------------------------|
| Input  | AC 100-240 V (50/60 Hz) |
| Output | 35 Watt                 |

Connections & Expansion

|                    |                                                                                           |
|--------------------|-------------------------------------------------------------------------------------------|
| Interfaces Details | 2 x USB4 (supports Thunderbolt 4, DisplayPort 1.4 Alt Mode) (charging) ¦ Headphone output |
|--------------------|-------------------------------------------------------------------------------------------|

Sustainability Information

|                            |                                  |
|----------------------------|----------------------------------|
| EPEAT Compliant            | EPEAT Gold                       |
| ENERGY STAR Certified      | Yes                              |
| Carbon Footprint           | 128 kg carbon emissions          |
| Rare Earth Materials       | 99% recycled rare earth elements |
| Product Recycled Content   | 55 % - recycled materials        |
| Packaging Recycled Content | 50 % - recycled fibre            |

Neural Processor Unit (NPU)

|                             |                       |
|-----------------------------|-----------------------|
| Neural Processor Unit (NPU) | 16-core Neural Engine |
|-----------------------------|-----------------------|
